

PARTNER US

Be a part of this effort to allow healthcare facilities reach the poorest of the poor. A small contribution from your side could mean better health for entire communities. You can do this through:

- **Sponsorship of Insurance Policies**
- **Sponsorship of Arogya Raksha Yojana clinics**
- **Sponsorship of the Preventive Health & Hygiene Education Programmes**

Sponsorship of Insurance Policies: The poorest of the poor cannot afford to pay the premium of Rs. 120 or \$3 per annum. We solicit sponsorships for them. This will also boost our efforts to broaden the subscriber base, and help more people benefit from the scheme. It will aid in inculcating a habit among the poor for forward planning on family health needs.

Should you like to help someone plan their family health needs, please fill up the form below and submit:

Arogya Raksha Yojana Clinics:

The clinic serves as an initial point of contact for patients seeking medical advice and consultation, and is free for ARY cardholders; others are charged a nominal fee of Rs. 5.00 per consultation. Each clinic has the following facilities:

- Biocare Pharmacy
- Doctor's Consultation room
- Diagnostic Laboratory

The clinics are being built in remote areas from where access to our Network Hospitals is difficult.

For details about the cost of building clinics please email us at Rani.Desai@biocon.com

Preventive Health & Hygiene Education:

Through Biocon Foundation we are working in all areas where we have subscribers - educating and training them in various issues related to health and hygiene. Sponsorship of this programme will enable us to extend our reach to the remotest rural communities. We are presently conducting this hygiene promotion programme in 49 villages in Kanakapura Taluk, and we will shortly be commencing the programme in 25 schools and 20 villages in Anekal Taluk.
